

Crystal City

Description - (Flat urban streetscapes and interior walkways, offset by parkland and riverfront trails)

Crystal City's industrial waterfront was transformed into a modern city through development in the 1960s. Ever-evolving, this urban village is now known for its world-class hotels and restaurants, businesses large and small, and an array of urban living options, served by transportation modes ranging from trains to planes, biking to walking.

Length - 1.9 miles + two optional extensions

How to Access - Visit Car-Free Near Me™ for all your transportation options.

Created with - The Crystal City Business Improvement District, 2015.
